THE BEE PROJECT

Art/Drama Camp
June 3-7 or June 17-21
Ages 7-11

Learn about pollinators with emphasis on bees, the importance of plants and flowers, the connection between bees and our food supply, and the anatomy of a bee. A local bee enthusiast will provide live interactive talks about bees. Art projects will be introduced and created along the way to deepen learning and to provide new skills through creating 3D bees, flowers, and other pollinators. We are partnering with the Zionsville Parks Department and plan to set up "hives" in Zionsville Parks during the month of July to display the bees made in camp. This project was made possible by the Zionsville Community Enrichment Grant awarded to us in 2023.
